Higney International is a hospitality FF&E firm built on something most in this space lack: **25 years of actually running luxury venues.** Our founder designed the Nikki Beach brand and operated 12 properties across four continents — from pool decks to presidential suites. We don't just specify furniture. We specify what survives.

25

YEARS

Operating luxury hospitality venues worldwide

12

Beach clubs, hotels & resorts managed globally

100%

OPERATOR-LED

Every spec informed by real-world operations

WHAT WE DO

- **FF&E Specification & Procurement**
Full procurement from concept through delivery. We source, manage, and coordinate — you get turnkey.
- **Design Services**
Pool decks, outdoor dining, lobbies, F&B areas. Designed by people who've operated them.
- **Custom Fabrication**
Bespoke furniture, stone work, shade structures — manufactured to spec through our factory partnerships.
- **Warehousing & Logistics**
Receiving, inspection, staging, and white-glove delivery from our South Florida facility.

SELECT BRAND PARTNERS
