

Joining our creative community

99designs is where talented, professional creators from around the world come to grow, connect, and inspire.

In order to join our creative community, all new designers must complete the following application.

Continue

Ready for the road ahead?

We'll collect some details about you, including your professional background, area of expertise, and 6–12 samples of your best work.

Your progress is automatically saved at every step so you can always come back to it later.

Before we get started...

Our Designer Curation team evaluates all applications based on a strict set of quality standards. This ensures a high level of creative talent on the 99designs platform.

With that in mind, please take your time and complete the application to the best of your ability.

What are 99designs' quality standards?

① The essentials

Create a display name

This will be used to represent you on 99designs. Your full name will not be visible to clients, so make sure your display name is professional, memorable, and unique.

Tips for creating a display name

① The essentials

Hi Shan Hornshield! Let's add a face to your work

This will be your avatar across 99designs, and will be your identifying feature alongside your display name, so give it your best shot!

① The essentials

Set your timezone

We'll use this to display your local time and location to clients. If you wish to hide your location, you can choose to do so on your profile later.

America/New York

① The essentials

What are your preferred languages?

You will be required to communicate your work and ideas with clients on 99designs. Telling us the languages that you are proficient in speaking, will help us match you with prospective clients.

③ Our Code of Conduct

Our promise to you

👉 We will connect you with new potential Clients

The more you participate on 99designs, the more we can support you! As you provide design services on the platform, we will get a better understanding of the industries, styles, and categories that best fit your skills. This way we will be able to match you with Clients who come to the platform to look for design services.

🏆 We will reward your quality of work

Our Curation team reviews all new Designer applications to determine which of our Designer levels fits you best. We may also review your portfolio to determine when you are ready for the next level. As your level increases, so do your opportunities on our platform! This includes a larger Design Contest selection and faster payouts.

🔒 We will provide payment assurances

99designs by Vista ensures you are paid for all the work you provide and complete on our platform.

🤝 We will be here for you

We facilitate the administrative side of things, like Non-Disclosure Agreements (NDAs) and the transfer of ownership, so you can focus on doing what you love most — creating great design. In the rare instance that you are unable to resolve an issue with a Client, 99designs by Vista will be there to help mediate the situation. We are also available to answer any questions you have and support you to resolve disputes you may encounter.

✓ Our Code of Conduct

Are you on board?

At 99designs, you have the chance to grow through rewarding creative projects and client connections. To take advantage of this opportunity, you must be prepared to follow our Designer Code of Conduct.
